MD/PhD Outreach

Volunteer Work

1. Science Partnership (Dr. Judith Venuti, Cell Biology and Anatomy)
   a. [http://graduatestudies.lsuhsc.edu/New_Orleans_Science-Partnership.htm](http://graduatestudies.lsuhsc.edu/New_Orleans_Science-Partnership.htm)
   b. Throughout the school year
   c. Teach 4th grade science class at several elementary schools in the New Orleans area. You can sign up for the days and times that are convenient for you. Times are usually 1 and 3pm on Thursdays, but can change. Lecture/PowerPoint presentations are already done; you just have to present them. Dr. Venuti, or someone else will help you out the first time, or you can just team up with another student. Dr. Venuti has set up a doodle site for signing up for volunteering. Contact her for information.
   d. At the end of the school year, there is a Field Day at LSUHSC. Different labs present small experiments to students. Volunteers are also needed to bring the students around campus.

2. Sally Ride Science Festival (Dr. Beth Wee, Tulane University)
   a. Usually in March, will have to check date every year.
   b. Science day at Tulane for middle school girls across Louisiana interested in science. We can help with booths and workshops throughout the day affair
